

18/06/2021

Dear Parents/ Carers,

I would like to begin by thanking you again for all your support during this challenging year. The teachers are working very hard to help our pupils catch up from all the learning they have missed and we have seen some great results already.

In order to continue making progress, I would like to suggest that, starting in September, we reopen school to children on Friday afternoons. This will give our pupils an extra two and a half hours learning a week and I believe this will mean they catch up much quicker. As this is a consultation, no decision has been made yet and I would appreciate any feedback you have to offer.

I would like to use the following two weeks to talk to parents, staff and pupils to see if opening on a Friday afternoon is a popular idea. As a school, we are extremely keen to ensure all our pupils recover from the missed learning as a result of COVID 19.

Please feel to contact me via phone, email, ClassDojo or by visiting. No appointment is necessary and I look forward to hearing your views and opinions.

Many thanks,
